

Implementation Plan Health Care Workers

Introduction

Pursuant to RCW 34.05.328, the Employment Security Department (Department) hereby describes its implementation plan for WAC 192-170-010 **Availability for work—RCW 50.20.010** and WAC 192-320-075 **Charges to the separating employer—RCW 50.29.021 (1)(c)**.

Plan to implement and enforce the rule

The Department will update its internal policy and training manuals to reflect the rule changes. The rule changes will be enforced when a claimant opens or reopens a claim and when a claimant files a weekly claim.

Plan to inform and educate affected persons about the rule

The Department will share rules with stakeholder groups through the Department's online distribution lists.

Plan to promote and assist voluntary compliance

The plan to promote and assist voluntary compliance will be identical to the plan to inform and educate affected persons about the rule.

Plan to evaluate whether the rules achieve the purpose for which they were adopted

The Department will track the number of claimants that apply for and receive benefits. The Department will use this information to educate employers and workers on the requirements for health care workers during public health emergencies.
